

Graph the weekly changes in meter readings to verify consistent usage and look for large changes that may indicate a performance issue

Meter Readings			
	Utility	Irrigation	Cooling Tower
5/4/2009	2205673	46218	12884
5/11/2009	2283715	49112	13297
5/18/2009	2351648	51871	13588
5/25/2009	2438210	58922	13911

Change over week			
	Utility	Irrigation	Cooling Tower
5/11/2009	78042	2894	413
5/18/2009	67933	2759	291
5/25/2009	86562	7051	323

This large jump in water use for irrigation indicates a potential maintenance issue with the irrigation lines (check for leaks, etc.)
