Dear Denver School of Science and Technology,

Thank you for inviting us to be a partner through the use of your Middle School facility. We value this partnership and the opportunity it gives us through the use of a local community facility. We fully intend to use your facility on a regular basis into the future as a place to hold meetings, community forums, neighborhood gatherings and MCA annual meetings. Your space has proven in the past to be an open, friendly and safe place to hold such meetings.

We appreciate the opportunity to partner with you with the new building and hope that as partners we can provide more to our community than any of us could do along.

Sincerely,

Latrice C. Norwood
